La Residencia, A Belmond Hotel, is a place that knows
luxury—and life—is best served chilled. Clinging to a
hillside in the charming village of Deià, the hotel offers
unrivalled views over the Tramuntana Mountains and the
sparkling waters of the Mediterranean Sea. Breathe deeply
as you wander through a maze of sweet-scented citrus
trees, keeping an eye out for olive groves that are older
than the hotel's historic buildings. Our housemade olive oil
is served throughout our restaurants and incorporated into treatments in the award-
winning spa.

The heart of La Residencia beats from two manor houses that date back to the 16th and 17th centuries. Behind the honey-coloured stone walls and pale green shutters you'll find original beams are complemented by whitewashed walls. Come summer, the cooling terracotta tiles fend off the heat of the sun.

the hotel is cradled by UNESCO-protected countryside

Art abounds in every corner here. Beyond our in-house gallery, there are over 750 original works by local artists displayed across our rooms
